

Nirvana, Where did you sleep last night

My girl, my girl
Don't lie to me
Tell me when did you sleep last night
In the pines, in the pines
Where the sun don't ever she
I will shiver the whole night through
My girl, my girl
Where will you go
I'm going where the cold wind blows
In the pines, in the pines,
where the sun don't ever shine
I will shiver the whole night through
Her husband was a hard working man
Just about a mile from here
His head was found in a driving wheel
But his body it never was found
My girl, my girl
Don't lie to me
Tell me where did you sleep last night
In the pines, in the pines, where the sun don't ever shine
I will shiver the whole night through
