

# Nirvana, Where Did You Sleep Last Night?

(Huddie Ledbetter)

[Originally by Ledbelly]

My girl, my girl, don't lie to me  
Tell me where did you sleep last night

In the pines, in the pines  
Where the sun don't ever shine  
I would shiver the whole night through

My girl, my girl, where will you go  
I'm going where the cold wind blows

In the pines, in the pines  
Where the sun don't ever shine  
I would shiver the whole night through

Her husband, was a hard working man  
Just about a mile from here  
His head was found in a driving wheel  
But his body never was found

My girl, my girl, don't lie to me  
Tell me where did you sleep last night

In the pines, in the pines  
Where the sun don't ever shine  
I would shiver the whole night through

My girl, my girl, where will you go  
I'm going where the cold wind blows

In the pines, in the pines  
Where the sun don't ever shine  
I would shiver the whole night through

My girl, my girl, don't lie to me  
Tell me where did you sleep last night

In the pines, in the pines  
Where the sun don't ever shine  
I would shiver the whole night through

My girl, my girl, where will you go  
I'm going where the cold wind blows

In the pines, in the pines  
Where the sun don't ever shine  
I would shiver the whole night through
