Nirvana, You Know You're Right

I would never bother you I would never promise to I would never follow you I would never bother you

Never speak a word again I will crawl away for good

I will move away from here You won't be afraid of fear

No thought was put into this Always knew it would come to this

Things have never been so swell I have never felt this well

(alt:

I have never felt so frail/ I have never failed to feel/ I have never felt to feel/ I have never failed to fail)

Pain! [x3] You know you're right [x3]

I'm so warm and calm inside I no longer have to hide

Let's talk about someone else Sterling silver begins to melt

(alt

Steaming soup against her mouth/ Steaming soup begins to melt)

Nothing really bothers her She just wants to love herself

I will move away from here You won't be afraid of fear

No thought was put into this Always knew it would come to this

Things have never been so swell I have never felt this well

(alt:

I have never felt so frail/
I have never failed to feel/
I have never felt to feel/
I have never failed to fail)

Pain! [x5] You know you're right [x17]

Pain ...
