

NLE Choppa, Little Miss

Little miss (Little miss)

Little miss (Little miss)

Little miss got it all together (All together)

Little miss got it all figured out

Little miss goin' through whatever (She's goin' through whatever)

Little miss don't need nobody else (Need nobody else)

Little miss got her own chain (Own chain)

Little miss "I don't need a man"

Little miss at my breakin' point

Little miss, my feelings and my blunt, yeah

Under that balaclava, under that new Chanel

Under that makeup, a girl goin' through Hell

I know that shit hurt, I know that trauma abuse you

Don't forget your worth (Don't forget your worth)

Promise you more than what you used to

Hear me out boo, I put you first

(I put you first), yeah, I put you first

Fuck them other niggas, they ain't what you need

They use you for your body, I use you for your peace

Little miss that, little miss that

Little miss emotional damaged, but don't hear nobody fix that

Little miss be overthinkin', little miss be overdrinkin'

Little miss, little miss, little miss, little miss

Little miss got it all together (All together)

Little miss got it all figured out

Little miss goin' through whatever (She's goin' through whatever)

Little miss don't need nobody else (Need nobody else)

Little miss got her own chain (Own chain)

Little miss "I don't need a man"

Little miss at my breakin' point

Little miss, my feelings and my blunt, yeah

Tell me you love me, you fuck with a thug

You know I love you by the way we fuck

You came a few times, but to me not enough

Fuck it up, fuck it up, yeah

Your head hot, do whatever, through any weather

When the rain start to pour and no umbrella

Take the leave, follow me, I promise I protect

Badder days, you can't see, but it gets better

And this shit get better, I promise

Keep your head up, keep fuckin' with my trust

Little miss that, little miss that

Little miss emotional damage, but don't hear nobody fix that

Little miss be overthinkin', little miss be overdrinkin'

Little miss, little miss, little miss, little miss

Little miss got it all together (All together)

Little miss got it all figured out

Little miss goin' through whatever (She's goin' through whatever)

Little miss don't need nobody else (Need nobody else)

Little miss got her own chain (Own chain)

Little miss "I don't need a man"

Little miss at my breakin' point

Little miss, my feelings and my blunt, yeah
