

Nneka, Africans

You keep pushing the blame on our colonial fathers
You say they came and they took all we had possessed
They have to take the abuse that they have caused our present state with their intruding history
Use our goodness and nourishment in the Name of missionary
Lied to us, blinded slaved us, misplaced us, strengthen us, hardened us then they replaced us now
Now it is up to us to gain some recognition
If we stop blaming we could get a better condition
(wake up world!)

Wake up world!!
Wake up and stop sleeping
Wake up africa!!
Wake up and stop blaming
Open ur eyes!!
Stand up and rise
Road block oh life penalty
