

# No Doctors, In An Opal

In an opal,  
I'm in an opal,

Sunrise overhead,  
And a feeling that I know,  
Now coming to an end,  
My new one about to grow,  
I love you baby!  
Yes everything I was,  
No longer who I am,  
When I'm in an opal!

In an opal,  
I'm in an opal,

As the ringing bell,  
Lay beneath the sand,  
Crashing of the waves,  
Our universe expand,  
I love you baby!  
Everything at once,  
No matter where I am,  
I'm in an opal!

In an opal,  
I'm in an opal,  
In an opal,  
Yes I'm in an opal.
