

# No Doubt, D.J.'s / A Message To You Rudy

(Originally recorded by dandy livingston)

All of the D.J.'s surely have taken a lesson  
Start talking trash and I'll come with my Smith and Wesson

A little competition comes my way  
Bittybye but it always winds up the same  
Ah but the stone that the builder refuse  
Shall be the end corner stone and ah  
There ain't nothin' wrong, ain't nothin' right  
And still I sit and lie awake at night

Oh all of the D.J.'s surely have taken a lesson  
Try talkin' trash and I'll come with my Smith and Wesson  
Enough D.J.'s come - enough, enough style  
But when I bust my lyrics we all know it's wicked and wily

Ain't nothin' wrong, ain't nothin' right  
And still I sit and lie awake all night

Oh you finish that with your gat if you wanna walk with me  
You bound to come down with the new style  
Rock a rubadub known as reggae music  
You gonna come down with the new lyrics  
Cause it just ain't no thing - oh I said it's been a real long time

Ain't nothin' wrong, ain't nothin' right  
And still I sit and lie awake all night oh, oh yeah

Ah Dreddy's got a job to do but he might fulfill his mission  
To see his pain will be his greatest ambition  
We will survive in this world of competition  
Truly God set around the nation - bo bo bo!!!!!!.....

I won't wait so long  
Ooh I said I won't wait so long for you  
Oh oh see now ooh woh

Stop your messin' around  
Better think of your future  
Time you straighten right out  
Or you'll wind up in jail
