

No Doubt, Hateful

Yeah
I'm hungry
I'm starving
I want some food for my tummy
I want some
Pizza coke and ice cream
Popcorn cotton candy
Marshmallows milkshake and peanuts
Would be so great
Pies chips candy apples
Twinkies frosted flakes
Donuts french fries
And some chocolate cake with mustard
Cookies avocados pancakes
Pineapple juice
Whipped cream on some raw meat
That's not all i could eat
I'm hungry
I'm starving
I want some food for my tum...
I want some
Honey roasted walnuts
Pepperoni slices
Pasta and burritos
Different kinds of rices
Cherries dipped in chocolate
Cottage cheese and jelly
Colonel sander's chicken
Still won't fill my belly
Broccoli sticky syrup
Churros dipped in sauce
Drippy sloppy joes
Then i'm full at last
Ahhh ahhh
I'm full at last
Burp.
