

# No Doubt, Hey You

Hey you with the wedding dress on  
Made of white chiffon blowing in the wind  
Hey you with the dreams in your head  
You've been so misled by your heart's pull  
I know you're waiting for your ship to come in  
You anxiously wait for such a long time  
You're just like my Ken and Barbie Doll  
You dress up and play the game  
You're just like my Ken and Barbie Doll  
You're name will never change

Hey you with the eyes full of hope  
You think you can rope your desire  
Hey you, you naive thing  
Your patience in time will tire

I know you're waiting for your tide to roll in  
How did you ever set such high hopes?  
You're just like my Ken and Barbie Doll  
You dress up and play the game  
You're just like my Ken and Barbie Doll

You're name will never change  
You're just like my Ken and Barbie Doll  
In a plastic world of make believe  
You're just like my Ken and Barbie Doll  
You know he's gonna leave
