No Doubt, Ill Throw My Toys Around

by No Doubt feat. Elvis Costello
Gwen Stefani - Elvis Costello - Gwen Stefani & Elvis Costello
I've got no time for fairy stories
I'm not a little girl
So you can leave me all alone
And turn off the lights as well
If you were frightened then listen
But I don't think you would like it
Such a nice kid
Nobody's looking now (Nobody's looking)
I throw my toys around
Somebody's being very bad
I wonder who it could be
Somebody's going to get in trouble
I know it isn't me
I'm just a little angel
But you don't know what I've done
When your backs turned
Nobody's looking now (Nobody's looking)
I throw my toys around
Pick up those building blocks
Chop off my baby's locks
Swing dolly by her hair
Put down that teddy bear
Slam dunk a happy clown
I throw my toys around
I've got no time for bedtime stories
I'm not a little child
Everything makes me furious
And everything makes me wild
If you are frightened
Then whistle and I'll come running to you
As you boo hoo
Nobody's looking now (Nobody's looking)
I throw my toys around
Nobody's looking now (Nobody's looking)
I throw my toys around
I throw my toys around
I throw my toys around
I throw my toys around
I throw my toys around
I throw my toys around
I throw my toys around
I throw my toys around
I throw my toys around
I throw my toys around
I throw my toys around
