

# No Doubt, Simple Kind Of Life

For a long time I was in love  
Not only in love, I was obsessed  
With a friendship that no one else could touch  
It didn't work out, I'm covered in shells

And all I wanted was the simple things  
A simple kind of life  
And all I needed was a simple man  
So I could be a wife

I'm so ashamed, I've been so mean  
I don't know how it got to this point  
I always was the one with all the love  
You came along, I'm hunting you down

Like a sick domestic abuser looking for a fight  
And all I wanted was the simple things  
A simple kind of life

If we met tomorrow for the very first time  
Would it start all over again?  
Would I try to make you mine?

I always thought I'd be a mom  
Sometimes I wish for a mistake  
The longer that I wait the more selfish that I get  
You seem like you'd be a good dad

Now all those simple things are simply too complicated for my life  
How'd I get so faithful to my freedom?  
A selfish kind of life  
When all I ever wanted was the simple things  
A simple kind of life
