

No Doubt, Soundquake

(E. Stefani, G. Stefani, T. Kanal)

Can I feel the rhythm of the soundquake?
See the movement of the ground 'cause it will break
Dance your body all around make your side ache
Treat your feet to the beat shake shake shake

Chorus:
Anticipation (soundquake!)
Feel the vibration rocking (soundquake!)
the nation (soundquake!)

I said it...

Chorus

Can you feel the rhythm of the soundquake?
Give it all you got 'cause it will take
All the power that your body and soul makes
Watch the towers crumble to the ground

Chorus

Chorus

Aw the ground is shakin' under me - hey

It's groovin

Falling rock from above on my brain
When the soundquake comes don't hes'tate
