

# No Fun At All, It's All Up To You

You better take control  
or else you will float along  
Aah you better use some action  
cause nothing wont come to you  
wont come to you

Strike 1 strike 2, this time it's up to you  
Ooah this time it's up to you

You better make a stand  
or someone else will take your chance  
Aah you better use some action  
cause nothing won't come to you
