

Noa, Today

here we are again
after everything has happened
only you and me
and the light is fading fast
who would have believed
when the tiny seed was planted
this would be the year
when the rain would come at last

every passing hour
changes us
but i love you more than any day before today
today

listen to my heart
as it stutters like the raindrops
let me fill my soul
with the beauty of your eyes
i may be a fool
but i always want to hold you
tenderly i say
you give reason to my life

every passing hour
changes us
but i love you more than any day before today
today

We Can Work It Out
(Lennon/McCartney)

Try to see it my way,
Do I have to keep on talking till I can't go on?
While you see it your way,
Run the risk of knowing that our love may soon be gone.

We can work it out,
We can work it out.

Think of what you're saying.
You can get it wrong and still you think that it's alright.
Think of what I'm saying,
We can work it out and get it straight, or say good night.

We can work it out,
We can work it out.

Life is very short, and there's no time
For fussing and fighting, my friend.
I have always thought that it's a crime,
So I will ask you once again.

Try to see it my way,
Only time will tell if I am right or I am wrong.
While you see it your way
There's a chance that we may fall apart before too long.

We can work it out,
We can work it out.

Life is very short, and there's no time
For fussing and fighting, my friend.
I have always thought that it's a crime,

So I will ask you once again.

Try to see it my way,
Only time will tell if I am right or I am wrong.
While you see it your way
There's a chance that we may fall apart before too long.
We can work it out,
We can work it out.
