Noel Gallagher, AKA... What A Life

Someday you might find your hero Some say you might lose your mind I'm keeping my head down now for the summer I'm out of my mind but pour me another I'm going to take that tiger outside for a ride

What a life [x2]

Keep on chasing down that rainbow You'll never know what you might find Over the sunset on the horizon It may be a dream but it tastes like poison I'm going to take that tiger outside for a ride

What a life [x4]
