

NOFX, Bleeding Heart Disease

How money polluted my mind

Do(ugh): what our lives are lived for

Ray: just a crazy Aussie

Me: the generation forges on

Fah: -dder for corporations

Sew: -wing our lips together

LA: such a nice place to get shot. But don't forget the

T(ee): it follows "liber" in the constitution, following the part about p

Do(ugh)

do do

Today I saw a kid torture a cat

Too much leisure teenage norman rockwell paints it black

How: did the chain get started

Mo(re): is what everyone wants

Nee: -dy is what none of us are

Co: -operation died last night

Rupt: -ured bleeding heart foresight

Me: I'm just a loo.

So don't expect the best, you won't be disappointed when you take a bite and watch the worm crawl

Don't believe the fairy tales of million-dollar happiness,

los angeleastic lifestyles drinking chardonnay.

Pursue the million-dollar happiness.

do do

The pursuit of million dollar happiness

Happiness was killed we watched it bleed

Some say it died from hate

Some say from bleeding heart disease
