Norah Jones, Crazy

Crazy Crazy, crazy for feeling so lonely I'm crazy, crazy for feeling so blue I know, that love me as long as you want it and inside I know you would leave me for somebody new Worry, why do I let myself worry Wondering, what in the world did I do? Crazy, of thinking that my love could hold you Oh I'm crazy for trying and crazy for crying and I'm crazy for loving you solo Worry, why do I let myself worry Wondering, what in the world did I do? Crazy, of thinking that my love could hold you Ohoh I'm crazy for trying, and I'm crazy for crying and I'm crazy for loving you
