

# Norah Jones, No Easy Way Down

Your toy balloon has sailed  
in the sky now,  
but now it must fall to the ground.  
now your sad eyes reveal  
Just how badly you feel.  
There is no easy way down.  
The view from the cliffs  
must have been exciting,  
and up to the peaks,  
you were bound.  
Now you're stranded alone  
and the past is unknown  
and there is no easy way down.  
And now it isn't very easy  
when you find yourself on your own.  
No it isn't very easy  
when each boat you take,  
is one more mistake,  
there's no one to break, your fall,  
Lead you back home.  
We all like to climb  
to the heights of love dear  
where our fantasy world can be found  
but you must know in the end  
when it's time to descend  
that there is no easy way down.  
I know it isn't very easy,  
when you find yourself out on your own.  
No it isn't very easy  
when each road you take,  
is one more mistake,  
there's no one to break,  
your fall,  
and lead you back home  
We all like to climb  
to the heights of love dear,  
where our fantasy world can be found  
but you must know in the end  
when it's time to descend  
that there is no easy way down.  
There is no easy way down.
