

Norah Jones, Those Sweet Words

What did you say
I know I saw you singing
My ears won't stop ringing
Long enough to hear
Those sweet words
What did you say

End of the day
The hour hand has spun
Before the night is done
I just have to hear
Those sweet words
Spoken like a melody

All your love
Is a lost balloon
Rising up through the afternoon
'Til it could fit on the head of a pin

Come on in
Did you have a hard time sleeping
'Cause a heavy moon was keeping me awake
And all I know is I'm just glad to see you again

See my love
Like a lost balloon
Rising up through the afternoon
And then you appear

What did you say
I know you were singing
My ears won't stop ringing
Long enough to hear
Those sweet words
And your simple melody

I just have to hear
Your sweet words
Spoken like a melody
I just wanna hear
Those sweet words
