

Nothing But Thieves, Real Love Song

This is a love song
Real love
Dirty rip out the whole of your soul love
I'll hate myself for days love
Sitting all alone and listening to Nick Cave love

This is a dark song
Real dark
Feral tear off your skin to the bone dark
I'll drink myself to death dark
Do anything to feel your breath on my neck dark

Can i sing this to you
Got a thing about you
And it won't go away, no
it won't go away
it won't go away*
