

Nothing But Thieves, Sorry

You might kill me with desire
Wind me tighter than a wire
It's something that you do to me
I run away like mercury
And I know you think it's rough
When you're tryna patch us up
And I say honey what is love?
You just say I drink too much

Maybe I'm defective
Or maybe I'm dumb
I'm sorry
So sorry for what I've done

And I'm the t-shirt that I wear
Pick the thorns out of my hair
I broke you heart so carelessly
But made the pieces part of me
And now it hurts what we've become
Cause you thought me how to love
It's me who taught ypu how to stop
And you just I drink too much

Maybe I'm defective
Or maybe I'm dumb
I'm sorry
So sorry for what I've done
Maybe I'm bad natured
Or maybe I'm young
I'm sorry, so sorry for what I've done

I've waited for this
I'm already for it
/2x
Been waiting so long
