

# Nothingface, Communist

You know if you were exorcised  
Demoralized, it'll all be right.....yeah!  
I'll grab my pen and write about  
Kryptonite, so you can feel all right

You can build a bomb of lies  
That doesn't hide who you are inside  
You motherfuckers, it's all about shit

The bullshit runs off your tongue like spit  
The psychotropic demi-god

It seems like you've been industrialized  
Colorblind or just sold out yeah!  
I never thought it would be like this  
A million screaming mouths  
A million pounds of shit you motherfuckers  
All you fuckers just waste our time  
Talking heads on sticks  
Sucking corporate dicks  
You motherfuckers  
It's all about shit

The bullshit runs off your tongue like spit  
The psychotropic demi-god

We'll always be the same  
No matter who you are  
(I hate this....I hate this...I hate this...)

## 6. In Avernus

Hate is nothing new  
Murderers watching every step  
Ignorance - oblivious to all the evidence  
Repent - for all that were innocent  
Forget - so we all can rest

Hey it's the end of time  
We all will see it our lifetime  
We all will die.....Violently

It's painted in the sky  
We all can see it  
but ignore it...& live our lives

The fear of dying  
it finds us  
no matter where we hide ourselves  
Hide - some place in hell  
In spite of living  
The dead men  
Know where we can hide away  
Far away

Hey it's the end of time  
We all will see it our lifetime  
We all will die.....Violently

It's painted in the sky  
We all can see it  
but ignore it...& live our lives

We all enjoy the blood

It calms the rage within  
Ingest deceit to cope

We never wanted this  
We never saw the risk  
We never wanted this

If we could only see the past the shit  
and learn the truth  
maybe someone could adapt  
and show us how to change things  
We invented the way to terrify en masse  
and we all wonder why  
when someone wants to kill us

Hey it's the end of time  
We all will see it our lifetime  
We all will die.....Violently

It's painted in the sky  
We all can see it  
but ignore it...& live our lives

Hate is nothing new  
Murderers watching every step  
Ignorance - oblivious to all the evidence  
Repent - for all that were innocent  
Forget - so we all can rest
