

Nothingface, One Thing

this is your one chance at my one thing
so take it all back now
gonna take this back my one thing
you hear what you want i hear you.
i can feel your cut it's coming.
do you want to fuel my one thing.
god blind these eyes please see my mind.
and i take it down cause its gonna be my thing.
take this back
this thing.
my thing.
one thing.
take it all back from me
i'll do what you want you scare me.
and you puch my back cause you know my one thing.
i can feel you now my thinking.
take this back my evil one thing.
take this back
this thing.
my thing.
one thing.
take it all back from me
you see in me.
what i have left for you.
you see in me.
why you think i left this for you.
you see in me.
now that its' over.
you see in me
and the farmer says to his garden.
your gonna die soong.
and the doctor says to his patient.
your gonna die soon.
and the leader says to his nation.
your gonna die soon.
and the god says to his creation.
your gonna die now
why cant you try to take this one thing.
my thing take it and.
i cant stick these hands up well.
i can be
why me got me something.
i can't fuck this shit my one thing.
my one thing
