

Nu Flavor, Tell Me Why

[CHORUS:]

Tell me, tell me, tell me why
Why you tell me lies, even after all I do for you?
And tell me, tell me tell me why I try
Try to be your guy, even all you put me through?

Enough's enough my dear
No longer can I take this pain inside
You know the truth is that you look me for a ride
I guess I never did enough to keep you satisfied

It's a cruel deception
You told me that you loved me when it wasn't even true
In spite of all the love I give to you
Nothing in the world I wouldn't do
To keep you happy, to make you happy
Oh, tell me why

[CHORUS]

The sun shines bright again
And all the tears I've cried for you have been washed away
Because all the things I did for you just seemed in vain
Tell me what game you play, oh baby

I've been so true to you
Gave you all the things in a man could ever give to you
And when you were down my love was there to see you through
Baby, what am I to do?
Someone tell me why

[CHORUS]

Oh girl
I tried giving you the best of me
I was so blind but baby now I see
you tell me all the time, that everything is fine
When you know that's a lie, lie, lie

[CHORUS]
