

Numero uno, Tora Tora Tora

I was walking in the sun
And the day had just begun, oh oh, oh yeah
I saw her walk around the beach
Her perfect body within reach, oh oh, oh yeah
And when I heard what she had to say
She took my hand and we walked away
Tora, Tora, Tora
I will stay with you tonight, oh oh all night
Tora, Tora, Tora
You will stay with me tonight, oh oh all night
Tora, Tora, Tora
We stayed together for a night
She disappeared out of sight, oh oh, oh yeah
And as I walked around the sand
A different lady took my hand, oh oh, oh yeah
And when I heard what she had to tell
My heart began to melt
Tora, Tora, Tora
I will stay with you tonight, oh oh all night
Tora, Tora, Tora
You will stay with me tonight, oh oh all night
Tora, Tora, Tora
3
Tora, Tora, Tora
I will stay with you tonight, oh oh all night
Tora, Tora, Tora
You will stay with me tonight, oh oh all night
Tora, Tora, Tora
Tora, Tora, Tora
Tora, Tora, Tora
