

Numic, Forever Hold Your Peace

I don't want to need
When I know I deserve all the best
I don't wanna need
What I see someone else has
All I want to see is
The envy here as I pass
Never been discrete yeah
While they eat out of my hands

Speak now, you're me
or forever hold your peace
so speak loud, you are me
or forever hold your peace

I don't want age
Not while I can still be enhanced
I don't want disease
Must be something you can give me for that
I don't want a cheap room
I want this comfort that lasts
Tell me what you think yeah
Come on and kiss my fucking ass!!

Speak now, you're me
or forever hold your peace
so speak loud, you are me
or forever hold your peace

I want to be in your eyes
I want to be your sight

I want to be in your eyes
I want to be your sight, your sight, your sight

You, you couldn't look away
You, you couldn't look away
You, you couldn't look away
You, you couldn't look

I want everyone to see
This is the way that I am
I don't want to change
You must be out of your head
Simplify your own life
And stay the hell out of mine
Don't tell me what I need to do
Because I damn well don't need you

Speak now, you're me
or forever hold your peace
so speak loud, you are me
or forever hold your peace

I want to be in your eyes
I want to be your sight

I want to be in your eyes
I want to be in your sight, in your sight
