

# Oceanlab, Barely Hanging On

I Used to Be So Sensible On My Own  
Now I'm So Sensitive It's a Joke  
I'm Getting By On Decibels Like a Drug  
And Greet Every Brand  
New Day With a Shrug  
I'm Barely Hanging On  
I Used to Be So Comfortable in a Suit  
Almost Presentable Next to You  
I Used to Be So Confident in a Crowd  
Now I Can't Say My Own Name Aloud  
I'm Barely Hanging On  
And Now I Guess You're  
Wondering Why  
We Never Could See Eye to Eye  
Oh But Never Mind  
And Now I Guess It's Hard to See  
What Has Gotten Into Me  
Oh But Never Mind  
I'm Barely Hanging On
