

Of Mice and Men, Second & Sebring

I believe it's time for me to be famous
And out of place.
I believe it's time for me to move forward
When I break through.
When I break through.
When I break through.
When I break through.

This time I'll make you
Proud to see me over come on day light.
Proud of who you raised.
Your shelter, your peacefulness.
So this time I'll make you proud.

Proud of who you raised up.
You know that I will always be here 'til the end.

Come back so I can say thank you for this.
Home cooked meals and a place to rest
My troubled head when you're away.
I've passed the test, I've earned an A,
Not just in school, but in life.
You'll always be right by my side
To help me show hope to all
That are lost and sick in this dying world.
I'll use the love you left behind,
I'll change their minds, I'll change their minds.

I hope, I hope you smile
When you look down on me.
I hope you smile.

This can't, we won't know.
I hope that I make you proud.

This is not what it is, only baby scars.
I need your love like a boy needs his mother's side.
This is not what it is, only baby scars.
I need your love like a boy needs his mother's side.

This is not what it is, only baby scars.
I need your love like a boy needs his mother's side.
