

# Of Monsters and Men, Destroyer

I want to be the king  
Of my body and mind  
Gravity let me go  
Before it bruises  
And blacknes me and you  
Bury me in the glow

And i find sorrow in idle mind  
And solace in being heard

You better run boy  
Run but be afraid  
Cry boy  
Cry,  
Don't play the game  
Gravity holds me down

And it's taking over  
I call everywhere  
I cry

You're my destroyer  
I call everywhere  
I cry\*
