

Of Monsters and Men, From Finner

We came here on his back
And we caught your eye
The salty ocean wind
Made the seagulls cry
The rocking of his house
Had me holding on
But I knew that I was safe
From there on out

The waves that hit his face
Marked the past
The farrows on his skin
Oh, how time goes fast

We are far from home, but we're so happy
Far from home, all alone, but we're so happy

After every sunny day
Came a stormy night
That's when Finner would say
Keep your heads held high

We are far from home, but we're so happy
Far from home, all alone, but we're so happy

We came here on his back
And we caught your eye
The salty ocean wind
Made the seagulls cry
