Officer Negative, Bobby And Susie

with anarchy and f.t.w. tattooed on their arm's bobby and suzie are eating their lucky charms bobby addicted to hell suzie you stink they act like they are from society

but we know they are the victims if your not punk rock your a fool that's what they believe the victims of society

stab you in the back thats just what they'll do two faced followers that's what i call you acting like you don't care what everyone thinks part of the crowd still not free from society
