

Official Kardinal, Let Me

(Spoken)

My love, let me be with you
Hold back the rhythm for me

(Verse 1)

Boy I had a dream last night and you were on the beach
Basking in the paradise the sand beneath our feet

(Bridge)

Sunshine in my face and I am golden with a tan
Everything will be alright if you just take my hand
I feel you near
Let me be here with you
With you, my love
Let me be with you, hmmm....

(Chorus)(Repeat 4x)

Just let me, let me, just let me
Just let me, let me, just, hmmm...

(Verse 2)

Don't disrupt the program I think I'm on a roll
If you just cooperate I can acheive my goal

(Bridge)

Sunshine in my face and I am golden with a tan
Everything will be alright if you just take my hand
I feel you near
Let me be here with you
With you, my love
Let me be with you, hmmm....

(Chorus)(Repeat 4x)

Just let me, let me, just let me
Just let me, let me, just, hmmm...

(Rap Break)

I feel you near
Let me be here with you
With you, my love {Chorus in background}
Let me be with you, hmm.....

Lalalalalalalala

Roll back the rhythm for me!

(Repeat 4x)
