

Offset, The Giving Tree

First first not long but cursed
This has just begun watch as I burn
Watch as I burn... Watch as I burn
It hurts so good as long as I can see you smile
Just walk a mile... Just walk a mile...
Just walk a mile in my shoes

Second curse is now on earth
Ive seen you chase this passing earth
So whats inside... So whats inside
Cause youve got nothing inside
Well neither do I... Neither do I... Neither do I

Except my gift to you
I hope its everything you wanted
Hope its everything you wanted
Is my gift to you
I hope its everything you wanted
Hope its everything you wanted

The third seems as a first
All that was bad its only worse... Its only worse
Youre only worse... Youre only worse
Youre only half of what I am
Take care of you... Take care of you

Its my gift to you
I hope its everything you wanted
Hope its everything you wanted
Is my gift to you
I hope its everything you wanted
Hope its everything you wanted

These are my arms they give you shame
This is my skin it keeps you sane
These are my veins this is my blood
I give it all to you my love

Its my gift to you... My gift to you
I hope its everything you wanted
Hope its everything you wanted
Is my gift to you... My gift to you
I hope its everything you wanted
