

# Old Gods of Asgard, Herald of Darkness (z gry Alan Wake)

Mr. Door  
From what I've gathered  
You grew up nice and sheltered  
With mama's pretty stories  
And your own made up furies

Alan Wake  
And mama gave me a magic clicker  
Well yes, I think it's true and fair to say

Instrumental break

Odin  
C'mon in and listen  
Lost words you've been missing  
Of the fire you're bearing  
The eye of the darkness, your light

Instrumental break

Mr. Door  
So you were drawn to stories early on?

Alan Wake  
My dreams would light up my imagination

Mr. Door  
And you had nightmares night and day?

Alan Wake  
Yeah, but with the clicker  
I chased those frights away

Mr. Door  
Who knew?

Alan Wake  
So true

Odin  
So here is a clue  
Of hope to remember  
Visions, they come true  
Obeying the light switch too

Chorus -- Odin  
Show me the Champion of Light  
I'll show you the Herald of Darkness  
Lost in a never-ending night  
Diving deep to the surface  
Ohhh!

Mr. Door  
And all your stories  
Of crime and chilling thrillers  
Of hardboiled killers  
Became best-sellers

Alan Wake  
It was all too much  
I had to get away

Odin  
The story's the end-all

A piece of true fiction  
Made meaningless in the  
Face of creation

Mr. Door  
But there is more to it than meets the eye

Alan Wake  
I never meant for it to ruin my life that way

Mr. Door  
Would you say you lived a jaded lie?

Alan Wake  
Dark shades could never save the day

Mr. Door  
So sad...

Alan Wake  
But true!

Odin  
Fighting the nightmares  
Torch and a light switch  
A gift or a curse  
A reality made of dreams

Chorus -- Odin  
Show me the Champion of Light  
I'll show you the Herald of Darkness  
Lost in a never-ending night  
Diving deep to the surface  
Ohhh!

Instrumental break

Odin  
He could write a new story  
Like Tom Zane before him  
And maybe they'd be happy  
Once again

Just one shot, one more chance  
For him to save their marriage  
Away from the city  
A romantic getaway

Instrumental break

Odin  
Still he's the torch-bearer  
And it couldn't be much clearer  
A war needs its warrior, true and right

But the darkness within him  
Held her hostage  
Had he seen her drowning  
Would have saved her from the darkness of the lake

Instrumental break

Chorus -- Odin  
Show me the Champion of Light  
I'll show you the Herald of Darkness

Lost in a never-ending night  
Diving deep to the surface

Instrumental break

Alan Wake  
Such a Dark Place  
Am I trapped in here?  
Is this real?  
I cannot remember

There was a manuscript  
It held a key  
A vicious cycle  
I must not surrender to

Echo scenes to seek out  
Again and again  
Until I figure it out  
To bring this song to its end

I gotta figure it out  
And bring this song to its end

You have to find your way out  
To bring this song to its end

Instrumental break

Alan Wake  
I will bring this song to its end

I gotta figure it out  
And bring this song to its end

Instrumental break

Chorus -- Full Cast  
Show me the Champion of Light  
I'll show you the Herald of Darkness  
Lost in a never-ending night  
Diving deep to the surface  
Ohhh!
