

Olga Jankowska x GrandeFunk, Time Off

Sometimes I'm not so easy
Living life is amazing
When I'm not creative
I get the way is?

Do you know what I mean?
Coz I not speaking no foot
In fact that I'm speaking of you, baby
Give me just a little time
I need to make my mind

I ringing to take time
Time off
I ringing to take time
From you baby
/2x

Baby, it's something more than the passion
And we have so much to discover
Maybe not just under the covers
Under top of each other
I don't expect [?]
No one [?]
We can spend some time
We'll expend the rules
There ain't no rules of [?]
But tonight I gonna get a buzz baby

I ringing to take time
Time off
I ringing to take time
From you baby
