

# Olive, Curious

## Verse 1

Straight as a dye  
On us we rely  
Yet watch how my head is turning  
Distracting my eye

## Bridge

It's no reflection on you, yet who would believe me  
Troubled by the thought of it, I can't deny

## Chorus

That I'm curious, never meant to hurt you  
Just curious, I can't deny  
That I'm curious, never have deceived you  
Just curious, I cannot lie

## Verse 2

Give me a reason  
I'll hide my delight  
Shamelessly I'll seize the moment  
Just my needs in sight  
Repeat Bridge&Chorus
