

Olive, Falling

Verse 1

Slower than the sun goes down
Softer than the Autumn rain
Surer than the earth is round
Gentle as the morning breeze
Warm enough to sleep and dream
There is no doubt in my mind
I'm falling, (in love), I'm falling, (in love)

Chorus

Leaves that are falling around me
Make sense to me, a reality
Leaves that are falling surround me
Make all this seem, a reality

Verse 2

Clearer than the morning light
Darker than the deepest night
There is no doubt in my mind
I'm falling, (in love), I'm falling, (in love)

Repeat Chorus

Middle 8

In love, In love
Repeat Chorus
