

# Olivia Anna Livki, Blood Ponies

Hit it!

Lisa really hated her first day at school  
Kinda makes her feel like they make her a fool  
At school  
Teacher said: It feels a little lonely  
Teachers ain?t friends  
Sax Ponies  
Your pink ponies  
Then Lisa have a laptop heavily loaded  
Get boom!

Now, Lisa wrote an message  
She?s good style  
They compliment her out  
And they put her on trial  
That?s ok.

Because Principal Skinner  
Attached to the phone  
Mr Burns who sit after her ponies  
Black ponies

She?s like don?t come leapin about black ponies  
Never come leapin about black ponies  
Don?t come leapin about black ponies  
Coz I?ll never take  
Never take a pony ride  
You black ponies
