

Olivia Dean, The Hardest Part (feat. Leon Bridges)

Call me up to meet you, static on the phone
Normally I need you, this time I don't wanna go
Lately, I've been growing into someone you don't know
You had the chance to love her, but apparently you don't
No, you don't

So even if I could, wouldn't go back where we started
I know you're still waiting, wondering where my heart is
Pray that things won't change, but the hardest part is
You're realizing maybe I, maybe I ain't the same
And what you're waiting for ain't there no more anyway

I Held her up so highly, deep under her spell
Her opinions would define me, but this time I made some for myself
'Cause lately, I've been certain, there's no further to go
She had the chance to love me, but apparently she don't , No she don't

So even if I could, wouldn't go back where we started
I know you're still waiting, wondering where my heart is
Pray that things won't change, but the hardest part is
You're realizing maybe I, maybe I ain't the same
And what you're waiting for ain't there no more anyway

Ain't there no more (I ain't there no more)
I ain't there no more
Ain't there no more (I ain't there no more)
I ain't there no more
Ain't there no more (I ain't there no more)
But the hardest part is
You're realizing maybe I, maybe I ain't the same
And what you're waiting for ain't there no more anyway
