

# Oly., Growing Young

Hey, now I come  
I hate this empty screens  
Thousands of thoughts  
Melody shining ...

...  
Tights and fears  
I'm grooving young

...  
I'm grooving young  
I'm grooving young

I;m still ...  
The one ...  
See in my sleep  
I work alone  
Such.. believe

I'm grooving young  
I'm grooving young
