

# Omd, Best Years Of Our Lives

where we're going  
heaven knows  
{we're} lost and falling  
and it shows  
and I know you won't believe me  
and I know it won't seem right  
and I beg you just to leave me  
when we'd argue and we'd fight  
but even as we stumble  
through the darkness and the light  
you know these were  
the best years of our lives  
sent to hurt me  
and you will  
tear the seasons  
from the hill  
and I know you won't believe me  
and I know it won't seem right  
and I beg you just to leave me  
when we'd argue and we'd fight  
but even as we stumble  
through the darkness and the light  
you know these were  
the best years of our lives  
and I know you won't believe me  
and I know it won't seem right  
and I beg you just to leave me  
when we'd argue and we'd fight  
but even as we stumble  
through the darkness and the light  
you know these were  
the best years of our lives  
and I know you won't believe me  
and I know it won't seem right  
and I beg you just to leave me  
when we'd argue and we'd fight  
but even as we stumble  
through the darkness and the light  
you know these were  
the best years of our lives
