

On Broken Wings, Lovesick

Something different
Something new
When all I do is think of you
Staring at an empty wall
Cluttered with pictures of you so beautiful
I'll swallow one last eyeful
only to turn and fall (to my knees)

Something different
something new
when all I do is think of you
A subsidiary lookout point
Before I'm fining out on my own
Begging to fall asleep
It's innocent, I need you
Begging to fall asleep, lying here wasting winks
Wait on promises of better things

You left so much space
But I can't make a move since you said
Why are you breaking down
We're only breaking up
After all it's not like you loved me anyway
But if I did, would I even stand a chance
I don't know what love is
Or maybe this is love
