One Chance, My Word

I convinced to let ur gaurd down for me U put your trust in me i broke it unintentionally Now baby don't lay it on me cause i'm only human but if u take me back maybe i can change my ways i can guarentee you anything i'm right here

but i can give you my word

this is my word i'll make my way back into your heart babe because thats my word....yeah thats my word....yeah

i can't blame u if u knock my crediblity
i admit that i've done some damage wasn't thinking of you
your quick to say i ain't pushin
i see you must have forgot
all the times we speak we fell in love
you must have forgot
girl i promise that i'll change overnight for you

on everything i give you my word

this is my word this is my...this is my.... word to you i'll make my way back into your heart baby because thats my word....yeah thats my word....yeah

take your time aint no need to rush it cause this is worth more than you and i i apologize a thousand times cause there aint no gaurentees all that i can give is my word yea...yea

this is my word i'll make my way back into your heart baby because this is my word this is my word (do you here me babe) i'll make my way back into your heart baby because thats my word....yeah thats my word....yeah

this is my word said its my word girl oh yeahhh this is my word yea yea and i'm not playin babe girl i'm not playin girl oh no no no no.....yeah i'm not playin girl said its my word baby said its my word baby

i'm not playin babe

thats my word girl thats my word girl
