

# One Direction, Can't Let Her Go

She's so mean but I gotta love it,  
And I just can't let her go  
I'm so whipped on her tiny little  
She's a sexy animal  
Spends too much  
And I never tell her no  
Drives me nuts  
And she got me by the throat  
She's so mean but I gotta love it  
And I just can't let her go

Breaks a billion hearts  
I know I'm next in line  
But I don't mind yeah, o,o,o  
I want her  
Everybody wants her,  
She knows it, e, e, e  
I want her, but I better run away

She's so mean but I gotta love it,  
And I just can't let her go  
I'm so whipped on her tiny little  
She's a sexy animal  
Spends too much  
And I never tell her no  
Drives me nuts  
And she got me by the throat  
She's so mean but I gotta love it  
And I just can't let her go
