

# One Direction, Hey Angel

Hey Angel, do you know the reasons why  
We look up to the sky?  
Hey Angel, do you look at us and laugh  
When we hold on to the past?  
Hey Angel

Oh, I wish I could more like you  
Do you wish you could be more like me?  
Oh, I wish I could more like you  
Do you wish you could be more like me?

Hey Angel, tell me, do you ever try  
To come to the other side?  
Hey Angel, tell me, do you ever cry  
When we waste away our lives?

Oh, I wish I could more like you  
Do you wish you could be more like me?  
Oh, I wish I could more like you  
Oh, I wish I could be more  
I could be more, I could be more

Yeah, I see you at the bar, at the edge of my bed  
Back seat of my car, in the back of my head  
I come alive when I hear your voice  
It's a beautiful sound, it's a beautiful noise

Yeah, I see you at the bar, at the edge of my bed  
Back seat of my car, in the back of my head  
I come alive when I hear your voice  
It's a beautiful sound, it's a beautiful noise

Hey Angel  
Hey Angel  
Do you look up to the sky?  
Do you look up to the sky?

Oh, I wish I could more like you  
Do you wish you could be more like me?  
Oh, I wish I could more like you  
Do you wish you could be more like me?
