One Direction, Night Changes

Going out tonight, changes into something red Her mother doesn't like that kind of dress Everything she never had She's showing off Driving too fast, moon is breaking through her hair She said it was something that she won't forget Having no regrets is all that she really wants

I'm only getting older baby
And I've been thinking about you lately
Does it ever drive you crazy
Just how fast the night changes
Everything that you've ever dreamed of
Disappearing when you wake up
But there's nothing to be afraid of

Even when the night changes It will never change me and you

Chasing her tonight, doubts are running 'round her head He's waiting, hides behind his cigarette Heart is beating loud, she doesn't want it to stop Moving too fast, moon is lighting up her skin She's falling, doesn't even know it yet Having no regrets is all that she really wants

I'm only getting older baby
And I've been thinking about you lately
Does it ever drive you crazy
Just how fast the night changes
Everything that you've ever dreamed of
Disappearing when you wake up
But there's nothing to be afraid of
Even when the night changes
It will never change me and you

Going out tonight, changes into something red Her mother doesn't like that kind of dress Reminds her of a missing piece of innocence she lost

I'm only getting older baby
And I've been thinking about you lately
Does it ever drive you crazy
Just how fast the night changes
Everything that you've ever dreamed of
Disappearing when you wake up
But there's nothing to be afraid of
Even when the night changes

It will never change, baby We will never change, baby It will never change me and you
