One Direction, Olivia

Remember the day when were giving up
When you told me I didn't give you enough
And all of your friends were saying I'd be leaving ya
She's lying in bed with my t-shirt on
Just thinking how I went about it wrong
This isn't the stain of a red wine
I'm bleeding love

Please believe me, don't you see
The things you mean to me?
Oh I love you, I love you
I love, I love, I love Olivia

I live for you, I long for you, Olivia
I've been idolizing the light in you eyes, Olivia
I live for you, I long for you, Olivia
Don't let me go
Don't let me go

Say what you're feeling and say it now
Cause I got the feeling you're walking out
And time is irrelevant when I've not been seeing ya
The consequences of falling out
Are something I'm having nightmares about
These are the reasons I'm crying out to be with ya

Please believe me, don't you see
The things you mean to me?
Oh I love you, I love you
I love, I love, I love Olivia

I live for you, I long for you, Olivia
I've been idolizing the light in you eyes, Olivia
I live for you, I long for you, Olivia
Don't let me go
Don't let me go

When you go and I'm alone
You live in my imagination
The summertime and butterflies
All belong to your creation
I love you, it's all I do
I love you

I live for you, I long for you, Olivia
I'll be the light in your eyes, Olivia
I live for you, I long for you, Olivia
Don't let me go...
Don't let me go...
Don't let me go...
