

# One Direction, Perfect

Louis:

I might never be your knight in shining armour,  
I might never be the one you take home to mother,  
And I might never be the one who brings you flowers,  
But I can be the one, be the one tonight,

Liam:

When I first saw you, from across the room,  
I could tell that you were curious, oh yeah,  
Girl, I hope you're sure, what you're looking for,  
Cause I'm not good at making promises,

Harry:

But if you like causing trouble up in hotel rooms,  
And if you like having secret little rendezvous,  
If you like to do the things you know that we shouldn't do,  
Baby, I'm perfect, baby I'm perfect for you,

All:

And if you like midnight driving with the windows down,  
And if you like going places we can't even pronounce,  
If you like to do whatever you've been dreaming about,  
Baby You're perfect, baby You're perfect

Harry:

So, let's start right now

Niall:

I might never be the hands you've put your heart in,  
Or the arms that hold you any time you want it,  
But that don't mean that we can't live here in the moment,  
'Cause I can be the one you love from time to time,

Liam:

And if you like cameras flashing every time we go out, oh yeah,  
And if you're looking for someone to write your break up songs about ,  
Baby I'm perfect, baby we're perfect
