

# One Direction, Rock me

Harry:

Do you remember summer '09?  
Wanna go back there every night,  
Just can't lie, was the best time of my life,  
Lying on the beach as the sun blew out,  
Playing this guitar by the fire too loud,  
Oh my, my, they could never shut us down

Louis:

I used to think that I was better alone,  
Why did I ever wanna let you go?  
Under the moonlight as we stared at the sea,  
The words you whispered I will always believe

All:

I want you to rock me, rock me, rock me, yeah,  
I want you to rock me, rock me, rock me, yeah,  
I want you to hit the pedal, heavy metal, show me you care  
I want you to rock me, rock me, rock me, yeah

Liam:

Yeah, we were together summer '09,  
Wanna roll back like pressing rewind,  
You were mine and we never said goodbye

Louis:

I used to think that I was better alone  
(Harry: better alone)  
Why did I ever wanna let you go?  
(Harry: let you go),  
Under the moonlight as we stared at the sea  
(Harry: stared at the sea),  
The words you whispered I will always believe

All:

I want you to rock me, rock me, rock me, yeah  
I want you to rock me, rock me, rock me, yeah  
I want you to hit the pedal, heavy metal, show me you care  
I want you to rock me, rock me, rock me, yeah

R-O-C-K me again,  
R-O-C-K me again,  
R-O-C-K me again, yeah  
I want you to R-O-C-K me again,  
R-O-C-K me again,  
R-O-C-K me again, yeah

I want you to rock me, rock me, rock me, yeah  
I want you to rock me, rock me, rock me, yeah  
I want you to hit the pedal, heavy metal, show me you care  
I want you to rock me, rock me, rock me, yeah

I want you to rock me, rock me, rock me, yeah  
I want you to rock me, rock me, rock me, yeah  
I want you to hit the pedal, heavy metal, show me you care  
I want you to rock me, rock me, rock me, yeah
