

# One Direction, Steal My Girl

She's been my queen  
Since we were sixteen  
We want the same things  
Dream the same dreams  
Alright, alright

I got it all  
Coz she's the one  
Her mum calls me love  
Her dad calls me son  
Alright, alright

I know, I know, I know  
For sure

Everybody want to steal my girl  
Everybody wants to take her heart away  
Couple billion in the whole wild world  
Find another one 'cus she belongs to me.  
/2x

Kisses like queen  
Her walk is so mean  
And every jaw drops when she's in those jeans  
Alright, alright

I don't exist if I don't have her  
The sun doesn't shines  
The world doesn't turn  
Alright, alright

I know, I know, I know  
For sure

Everybody want to steal my girl  
Everybody wants to take her heart away  
Couple billion in the whole wild world  
Find another one 'cus she belongs to me.  
/2x

She knows  
She knows  
That I never let her down before  
She knows  
She knows  
That I'm never gonna let it take another her love from me

Now

Everybody want to steal my girl  
Everybody wants to take her heart away  
Couple billion in the whole wild world  
Find another one 'cus she belongs to me.
